RE: City Of Manchester  
North Manchester Water Association  
7362 N HWY 421  
Manchester, KY 40962

Dear Mr. Kirtley,

This is to advise that North Manchester Water Association, Inc. does protest a 50% increase for the cost of wholesale water from \$1.50 to \$2.25. The water association request that the Public Service Commission intervene with the request from the city of Manchester and take the proper procedure to determine a justifiable rate, if the present rate is found to be inadequate.

Please be advised this letter is faxed to you and the original copy is also being mailed today.

  
Very Truly Yours,  
Robert Whitis, Secretary
